

A Simple Homeless Camp Toilet

There are links at the end for purchasing much of the supplies from Amazon.

Black buckets as not as common and eventually become identifiable as toilet buckets. They often become soiled and discarded so it is good to have them be unique color.

They are very cheap in bulk

Standard lids are helpful as people like to keep them in their tent if they only use them for urine as well as making it easier to assemble as a set for distribution

These toilet seats are distributed in the bag that the tent comes in.
